Okay, that sounds good.

Matt, please work with Pat to get the document we're releasing uploaded into FOIAonline.

We should be able to access to email accounts of former employees. I believe IT keeps a copy of separated employees' harddrives. For Outlook emails, we can coordinate with OEI as well. Have we exhausted those avenues?

Emily,

We found only 1 document for responsive to FOIA 2015-00819, which is document # 40332862 in SDMS. There might be potentially more responsive documents with a former EPA employee; however, we cannot get access to his email and means that we need to provide a partial denial for the request.

Let me know if you need anything else...thanks!

Matt
